

Liberty Coach of Florida
11th Annual Open House Rally
February 2-5, 2012

Join us as we kick off our 40th anniversary celebration!

Some of the highlights of the rally will include a true southern Texas style barbeque, while experiencing a "live" tribute to Rod Stewart, by George Orr & The Hot Rod Band. Friday, we will all take part in a scavenger hunt of historic downtown Stuart. Later that evening we will dine at 51 Supper Club, which will be like entering a time machine, traveling back to the age of Frank Sinatra and Dean Martin. Saturday night we will be donning our anniversary color "Ruby", which will be the theme of the night as we have an elegant dinner and dance the night away. During the day, there will be plenty to do. The men will be touring the "Car of Dreams" museum, while the ladies lunch at The Diamond Tea Room. We will wind down our festive week-end with our in-famous Super bowl Party! As usual, we will also have a motorcycle ride available to any interested riders. Space is limited Questions? Call
