Iconic design is on display in Salon: the "quintessential modern classic" Charles Eames lounge chair and ottoman - these pieces are also found in museums like the MOMA in New York and Art Institute of Chicago. They create a stylish look with the custom leather upholstered Parsons style desk, and they are so comfortable!

The Galley is located in the patio side slide room, and is well equipped and thoughtfully designed. Lots of countertop space, a large sink, dishwasher, 2-burner cooktop, and Viking microwave convection oven are a gourmet's delight. The Galley also features pull-out pantry sections and our exclusive automatic drawer locking system – keeping the drawers and pantries securely closed while the coach is underway, or while young children play.

The Cockpit area has everything the driver might need, right at his fingertips. The large touchscreen to the right features our exclusive photo interface for whole-house systems control, and can also display the camera systems or video feed (when stationary). There is also touch screen GPS, Bluetooth, Sirius XM Radio, iPod connection, HD radio, CD, and DVD for entertainment, and a separate connected screen for the copilot.
