The Galley is well equipped and thoughtfully designed. Lots of countertop space, a large sink, dishwasher, 2-burner cooktop, and Viking microwave convection oven are a gourmet's delight. Integrated countertop covers for the sink and cooktop maximize your prep and entertaining space. The Galley also features pull-out pantry sections and our exclusive automatic drawer locking system – keeping the drawers and pantries securely closed while the coach is underway.

The spacious Master Bath has a large shower with a rain shower head, shower wand, bench for shaving, and an architectural glass enclosure with integrated towel hangers. The tile floor features electric radiant heat to keep your feet toasty warm. The Vanity features a lighted sink, touch controlled faucet and our custom stealth TV built into the medicine cabinet mirrored door, with its own JL Audio speakers and volume control, and a choice of DirecTV or BluRay for viewing options. There is a full-length hanging closet to the left of the vanity.

The Cockpit area has everything the driver might need, right at his fingertips. The large touchscreen to the right features our exclusive photo interface for whole-house systems control, and can also display the camera systems or video feed (when stationary). There is also touch screen GPS, Bluetooth, Sirius XM Radio, iPod connection, HD radio, CD, and DVD for entertainment, and a separate connected screen for the copilot. Ferrari inspired leather upholstery on the drivers and copilot seats complete the sporty feel.
