- Electric operated pocket doors with build-in safety disconnect
- LED accent lighting in all side windows
- J-Lounge dinette
- Central vacuum – centralized hose port and sweep in port
- 110V outlets with built in USB charge ports

Mid bath and Hall

- Lightweight, formaldehyde free, Italian poplar wood cabinet construction
- Veneer cabinetry with limited lifetime warranty
- Waterjet macerating anti-fume toilet
- Fantastic vent fan with rain sensor in lavatory & shower
- Built-in bidet, cleaner, dryer with both pressure and temperature control
- Normal & water conservation toilet flush control switches
- Lightweight vanity with under mount sink
- Double handled vanity faucet standard
- Custom made one-piece shower - lightweight water-tight fiberglass enclosure and pan
- Water pressure and temperature control valve in shower
- Full size stacked washer and dryer
- Lutron control switches / generator control / inverter control / slide controls in hallway
- Electric heater at toe kick below vanity

Rear Bath

- Lightweight, formaldehyde free, Italian poplar wood cabinet construction
- Veneer cabinetry with limited lifetime warranty
- Waterjet macerating anti-fume toilet
- Fantastic vent fan with rain sensor
- Built-in bidet, cleaner, dryer with both pressure and temperature control
- Normal & water conservation toilet flush control switches
- Lightweight vanity with under mount sink
- Double handled vanity faucet standard
- Custom made one-piece shower - lightweight water-tight fiberglass enclosure and pan & 2 built in lighted caddies
- Water pressure and temperature control valve in shower
- Zoned floor heat for bath area
- Electric & Aquahot heaters at toe kick below vanity
- Electric pocket door with safety release

Stateroom

- Lightweight, formaldehyde free, Italian poplar wood cabinet construction
- Veneer cabinetry with limited lifetime warranty
- Lightweight, formaldehyde free, Italian poplar wood cabinet construction
- Custom designed ceiling with easy to clean leatherette, decorative wood trim, textured inlay, mirrors and multi directional roof air venting
- Individual reading lights above bed

- LED indirect and accent lighting
- Custom quilted bedding and decorative throw pillows
- Display cabinets on either side of 43” Samsung Smart LED TV
- Digital safe available in cabinet
- Digital clock with alarm available on I-Pad
- Electric pocket door with build-in safety disconnect
- 110V outlets with built in USB charge ports

A/C and Heating Systems

- 4 - 15,000 BTU Reverse Cycle, heat pump, roof mounted, air conditioning systems with I-pad controls and hardwired thermostats
- Air conditioning ducted through ceiling with multi directional vents - easy access return filters
- 72K BTU Aquahot heater with 1-120 VAC 2000-watt electric element and 1-240 VAC 4500-watt each electric heating element with touch screen diagnostics.
 - Aquahot exhausts through roof
 - Engine heating loop system.
- Electric radiant floor heat (under all main tile floors throughout coach)
- Aquahot toe board heaters zoned on three thermostats including one in plumbing bay
- 20K BTU multi zone auxiliary heat exchanger ducted to ceiling in two zones activates with Aquahot system
- Electric heat in bathroom (s) toe board with separate thermostat
- Thermostatically controlled 120 VAC ceramic heat in plumbing bay
- Thermostatically controlled 120 VAC ceramic heater in first & second storage bay
- Adjustable directional vents with Millennium's center line design to maximize air flow when slide outs are closed

Electrical Systems

- Continuous and uninterrupted marine grade tin plated stranded wiring
- 24 V electrical charging system via 3 150-amp alternators
- Unique battery boost circuitry
- Lutron Home Works coach automation control system with RTI interface and optional remote diagnostic capabilities (internet connection needed for this feature)
- Five I-Pad's and chargers – (1) by pilot seat – (1) by co-pilot seat – (1) in salon – (1) in stateroom – (1) in plumbing bay
- Marine grade electrical breaker panels
- Tier 4 - 20 KW generator with gauged airbag suspension
 - Exclusive Millennium generator radiator roof mounted system
 - Generator exhausts through roof
 - Auto start feature for generator
- Ultra-quiet generator compartment marine grade sound dampening insulation system & secondary floor isolators
- 100-amp automatic transfer switch
- 4 – 3,500-Watt Outback 24 V pure sine wave inverters
 - 4 inverter disconnects with marine grade switches
 - 2 manual inverter by-pass switches
- 8 – 4D AGM deep cycle batteries
- Generator starting circuit has capability of starting from house or chassis batteries (must be manually selected)
- 85' shore power cord on Glendenning electric reel with remote control
- 15 amp to 30-amp shore cord adapter and a 30-amp to 50-amp shore cord adapter
- Dedicated hardwired Lutron control switch panels in every room & plumbing bays
- Dimmable Indirect lighting around ceiling / cabinet tops / toe kicks
- Linear LED accent lighting along vertical window frames
- Dimmable LED ceiling lights
- LED lights inside all interior cabinets
- Ring doorbell system (requires internet connection)
- StarLink satellite internet system

Audio Visual Systems

- 55" Samsung Smart LED TV on a marine grade TV lift system (Salon)
- SONOS ARK soundbar
- SONOS subwoofer
- Artison surround sound speakers
- 43" Samsung Smart LED TV (Stateroom)
- SONOS BEAM soundbar
- SONOS subwoofer
- 55" Samsung Smart LED TV (Entertainment bay)
- SONOS BEAM soundbar
- SONOS subwoofer
- Configurable 8x8 HDMI Switcher
- RTI Control System with I-Pad integration controlling:
 1. Lighting
 2. Awnings
 3. Mechanical Systems
 4. Air Conditioning and Heating
 5. Shades
 6. Audio/Video Functions
 7. Shore / Generator / Inverter status
- Winegard Dome In-Motion Satellite System
- Winegard HD Satellite Antenna System for HD programming while parked
- Provisions for 2 HD DVR Satellite Receivers
- Stationary Fully Digital HD Off-Air marine grade Antenna
- HDMI wiring to all smart TVs
- Intuitive easy to navigate control graphics on I-Pads
- Apple TV available on all TVs
- (4) driving / security cameras – right / left / pan tilt b/u / low hitch view
- (4) cameras to create 360° view camera image – cameras can also be viewed individually
- On board digital video recorder – records all cameras 24/7 (upgradable to 9 cameras) with 6 TB DVR (upgradeable to 8 TB). Images available on all TVs and I-Pads
- External satellite antenna & cable tv input connection at plumbing bay
- Integrated Bluetooth module for whole house listening capabilities

Plumbing System

- 160-gallon Polyurethane freshwater tank
- 70-gallon Polyurethane black water tank
- 90-gallon Polyurethane gray water tank
- Machined aluminum laminate with stain free finish
- Hot and cold-water faucet in plumbing compartment
- Water inlet connection with gray/black selector valve for easy flushing of holding tanks
- Manablock system with Individual shut off valves for all water sources
- Stainless steel hardware
- Auto water fill system with built-in 35' hose on electric reel & secondary inlet on p/s
- Gravity fill inlet on passenger side
- Electric 3" dump valves with manual valve on dump outlet
- 110 VAC Mach 5 multi-stage main water pump
- 12V auxiliary water pump system
- Surge tank for more efficient water pump operation
- Adjustable city water input regulator 80 PSI
- 10-micron whole house filter
- 5-micron GE drinking water filter system
- Fresh tank auto overflow pipe & manual drain valve to ground
- 1450 PSI - 110 VAC pressure washer with hot & cold-water supply – 100ft 3000 PSI hose on self-winding 24v electric reel
- Built-in water deionizer system for spot free rinse after washing

Exterior and Bays

- Keyless entry remote & touch pad access
- Air horn mounted behind front axle
- Valid Auto leveling system
- 12 marker lights with stainless steel trim
- Two 55-watt LED lights on patio side of coach
- LED rear work lights mounted in hitch trim
- Millennium manufactured polished stainless-steel side rub rails with integrated linear LED lighting
- Lower LED rope lighting around perimeter under the coach
- Custom roof mounted awnings with custom fiberglass front / rear caps – each multi position – auto retract protection via wind & rain detection sensors – ignition lock out - LED lighting along all lead rails
- 4 Zip Dee folding chairs, embroidered with Millennium logo in custom holders
- Stainless-steel wheel covers
- Drive axle flap with polished trim
- Polished stainless-steel weights on all splash guards
- Custom stainless-steel exhaust tip for generator & Aquahot exhaust, above roof of bus
- 20K lb trailer hitch - hitch trim with 6 & 7 pin plugs for 3 or 4 taillight combinations
- LED lighting in all bay compartments
- Stainless steel screws and bolts in bay construction
- Locking watertight storage box inside engine bay
- #1 bay - passenger side - 60" Manual slide tray with storage drawer below
- #2 bay – passenger side – open storage – pull out 55" LED smart TV – SONOS sound system
- #3 bay – passenger side – open storage
- #4 bay - passenger side – Slide out cabinet with Kenyon electric gill & Duxtop single induction burner
- Enclosed fresh water and holding tank compartment
- Finished functional bay compartments
- 1st bay 117 cubic feet of storage (curbside or roadside)
- 2nd bay 97 cubic feet of storage (curbside or roadside)
- 3rd bay 57 cubic feet of storage (curbside)
- Cable and external satellite TV connectors near shoreline reel
- Auxiliary air compressor - air connections in (D/S and P/S) plumbing bays & manual hose reel in engine side bay
- 120 VAC GFCI receptacles in storage and plumbing bays
- Telescopic ladder
- LED light above entry door
- Custom LED lighted Millennium Emblem package
- Watertight storage area behind front bumper
