Dura-Lite Patented Silicone Grommet Tube-to Header Seal System allows the tubes to expand and contract in the grommet / header. This Helps eliminate leakage. Internally reinforced manifolds reduce side flexing and premature header/manifold failure.

The Evolution features allow Dura-Lite to offer a 7 year / 1,000,000 mile warranty on most coolers. Double Row CACs are warranted for 2 years. (Handled directly with Dura-Lite, not through Prevost warranty)

See our Special Savings on Radiators, Fan Clutches, and Hump Hoses
