DESCRIPTION

Discover the elegance and power of the 2001 Prevost Vision XLII, a luxury motorcoach that combines superior engineering with exquisite design. Powered by the robust Detroit Series 60 engine, offering 515 horsepower, and paired with an Allison 4000 automatic transmission, this 45-foot coach promises a smooth and powerful driving experience. With a custom exterior paint scheme and a sophisticated wood and cream laminate interior, this coach is as stylish as it is functional.

Inside, the Vision XLII offers a spacious and well-appointed living environment. The master suite features a queen bed and a walk-in cedar-lined closet, ensuring comfort and ample storage. The kitchen is equipped with a Whirlpool stainless side-by-side refrigerator, a Gaggenau two-burner electric cooktop, and a GE convection microwave, making meal preparation a pleasure. The interior is enhanced with hardwood and tile flooring, solid surface countertops, and crown molding, providing a luxurious atmosphere.

This motorcoach is equipped with four roof-mounted air conditioning units, all replaced in 2024, ensuring a comfortable climate year-round. The Webasto diesel heating system adds to the comfort, while the Starlink internet and smart TVs offer entertainment on the go. The coach also features a Bosch stack washer and dryer, a private toilet room with an air door, and a large hall vanity for added convenience.

Recent service work in 2024 includes the replacement of all air conditioning units, a new dash AC compressor, and a new 50DN alternator for the house, ensuring reliability and peace of mind. With a comprehensive service history and low mileage of 164,000, this coach represents a valuable opportunity for luxury travel enthusiasts.
